CORRIGENDUM

Corrigendum to "Studies reporting ROC curves of diagnostic and prediction data were incorporated into meta-analyses using corresponding odds ratios" [J Clin Epidemiol. 2007 May;60(5):530-4]

In the above-mentioned article, a typographical error was noticed in the definition of Q_2 appearing at the bottom of page 531. AUC in the numerator should be squared. The correct definition should read: $Q_2 = 2\ AUC^2/(1 + AUC)$. The subsequent numerical results in our paper used the correct definition and are unaffected by the typo.

The authors regret this error and would like to apologise for any inconvenience caused. The authors are grateful to Teresa Nelson (Technomics Research, LLC) for pointing out this error.
