<sup>f</sup> Department of Pathology, Rigshospitalet, Copenhagen, Denmark

<sup>g</sup> ENETS Neuroendocrine Tumour Centre of Excellence Rigshospitalet, University of Copenhagen, Denmark

The publisher regrets Table 2 was published with the wrong caption, which should have been as follows:

Survival for TC, AC and LCNEC

Furthermore, the authors have noted that in the section 3.4.

*Immunohistochemistry*, the sentence “Further details on the distribution of the different immunohistochemical markers in TC, AC and LCNEC are listed in Table 2.” should be deleted.

The publisher would like to apologise for any inconvenience caused.
