**Umar S. Selection criteria and techniques for improved cosmesis and predictable outcomes in laser hair removal treatment of acne keloidalis nuchae. *JAAD Case Rep.* 2019;5:529-34.**

In the article above, there is an error in the figure reference in the sentence “These patients have often preferred having significant hair thinning instead of complete baldness in the treated zones (Fig 5, *B*).” It should be Fig 6 instead of Fig 5. The corrected sentence should read “These patients have often preferred having significant hair thinning instead of complete baldness in the treated zones (Fig 6, *B*).”
