**Correction to**  
***Lancet Neurol* 2019;**  
**18: 674–83**

*Ouriques Martins SC, Sacks C, Hacke W, et al. Priorities to reduce the burden of stroke in Latin American countries. Lancet Neurol 2019; 18: 674–83*—In this Policy View, two countries, French Guiana and Uruguay, were missing from the maps of the figure but have now been added; on table 3, for Panama, under “Rehabilitation”, in the “In-hospital” column, it should read “Yes”; and the link for reference 10 has been updated. These corrections have been made online as of June 12, 2019.
