

Correction to *Lancet Neurol* 2019; 18: 513

The Lancet Neurology. Adding stroke to the political agenda in Europe. *Lancet Neurol* 2019; **18**: 513—An incorrect link was provided for the European Stroke Action Plan 2018–2030. The correct citation is *European Stroke Journal* 2018; **3**: 309–36. This correction has been made to the online version as of July 10, 2019.

Correction to *Lancet Neurol* 2019; 18: 522–23

Casper ST, Golden J, Oreskes N, et al. *First report the findings: genuine balance when reporting CTE.* *Lancet Neurol* 2019, **18**: 522–23—On his declaration of conflicts of interest, Stephen T Casper stated that he had received fees from Zimmerman Reed, Giradi, and Keese, Shrader & Associates, outside the submitted work. He wants to clarify that the fees were for consultancy services in concussion-injury litigations. His declaration has been amended for clarity. This correction has been made to the online version as of July 10, 2019.
