## Schedule an AAEM Residency Visit!

Residents entering into the emergency medicine workforce need to be aware of the business of emergency medicine and a variety of other key clinical and practice management issues.

AAEM offers nationally recognized leaders in emergency medicine that will speak about these key topics not often addressed in residency – free of charge for your program.

#### What residents are saying...

*"Great speaker who opened my eyes to a significant problem facing emergency physicians as well as the ways AAEM is working to fix the problem."*

#### What program directors are saying...

*"Thank you, AAEM, for an excellent visit. The lectures were very high-yield. We sincerely appreciate the investment you made in our program."*
